Other Information

Activation Date

Flip will rely on the Optus in relation to service activation date and billing charges. It remains the customers' responsibility to connect the service in unlocked compatible mobile handset.

Termination Notice

You may request to cancel the Mobile service at any time with a one month notice.

Billing and Payment information

Billing is monthly with the Mobile service start date being the beginning of your billing cycle. The first bill charges pro rata to the end of the month of activation plus the following month; thereafter, an advanced monthly charge applies to all subsequent invoices. Additional call charges are only for the month of billing e.g. Additional calls that you have made in May are billed in June. Charges will be debited on the invoice due date from the nominated credit or debit card. Flip will bill you for calls not included in the plan like International/Roaming and Third party calls.
